

## **OUTSIDERS WELCOME – A SOLO EXHIBITION BY @STEVEXOH At Yellow Edge Gallery, Gosport, UK**

**Outsiders Welcome** is an autumn solo exhibition by outsider artist [@stevevoxh](#). The exhibition will be the most extensive collection of Steve's work to date and comprises over 80 drawings, paintings, paper cuttings and other weird and wonderful installations.

Over the last few years @stevevoxh has become well-known for his distinctive drawings and paintings, his streetart installations and his bizarre conceptual art projects such as the world's first silent podcast featuring special guests and the globally viral (Not a) Lost Cat poster project. He has sold his work across five continents and exhibited alongside the likes of Pablo Picasso and David Shrigley. This exhibition will be the first time Steve's work has been exhibited as a collection.

@stevevoxh says of the exhibition *"I want Outsiders Welcome to be an invitation into my world, for the visitor to experience the thoughts, feeling, emotions, tangents, incongruences, confusions and contradictions that I experience on a day to day basis. I find the world a fascinatingly bizarre place and hope the exhibition will invite others to do the same."*

Outsiders Welcome will be held at Yellow Edge Gallery in Gosport UK and runs from the 23<sup>rd</sup> October - 7<sup>th</sup> November 2021. All exhibits will be for sale.

Yellow Edge founder Steve Buggle says *"I first came across@stevevoxh just over a year ago and was immediately struck by the breadth of his ideas, the different styles, media, and range of work he produced. He is an artist with wit, passion, creativity and integrity. His work appeals to many audiences and on many levels - it is idiosyncratic, humorous, provocative, versatile, thought provoking, empathetic and often 'right on the money'. I'm delighted to host Steve and his work at Yellow Edge"*

A free RSVP Private View evening will be held on from 6-8pm on Saturday 23<sup>rd</sup> October 2021.
